

**CENTURYCITY**

*Smart City. Smart Choice.*

## **Welcome to Central Park**

The grassed area is designed for informal passive recreation for use by the Century City Community, and for formal events authorised by the Century City Property Owners' Association.

No studded footwear is permitted on the field other than for authorised events.

Dogs can be 'off-leash' between 7 – 9am and 5-7pm, when there are no authorised events. Dogs should be kept on a leash outside these hours, and owners are furthermore responsible for the removal of all pet waste.
